

GREAT NEWS, BUS JOURNEYS JUST GOT EASIER:
A smarter way to travel Metrobus & Fastway services

The key is our new electronic smartcard that has just made paying for travel on Metrobus services in Sussex, Surrey and Kent a whole lot simpler.

- Instead of buying a paper ticket, you load tickets onto the card in advance – online* or at our travel shops in Crawley and Redhill Bus Stations.
- It's much more secure than a paper ticket – if your card is stolen we can cancel it and send you a new one with any remaining travel transferred to your new card.
- It can save you money, with discounts available on some tickets when purchased on the key.
- No more waiting to buy a ticket or searching for change when it's so easy to top up online. Just follow the onscreen instructions.
- Your ticket doesn't start until you first use it, so you don't need to worry about start dates and you can have multiple tickets on your card at once
- The key can be topped up again and again, no need for a new paper ticket so reduces paper use.
- The card is free, you only pay for the tickets you load onto it.

What tickets are available on the key?

- Metroriders covering the Crawley, Horsham and Redhill & Reigate zones
- Metrovoyagers
- Multi Trip tickets for Crawley, Horsham, Redhill & Reigate areas
- Horsham Park & Ride tickets
- Gatwick Travelcards for Gatwick Airport and easitCrawley workers only

Available now – new Multi Trip ticket

We have introduced a Multi Trip ticket, exclusive to the key, which is available in 5 single journeys, 10 single journeys and 25 single journeys in the Crawley area. These tickets are ideal for shift workers, part time workers and those that use the bus occasionally.
